## STUDENT/FAMILY AGREEMENT

Please review the following regarding the CDM process:

- I understand this assessment will include a multi-phase assessment with Phase 1 and Phase 2.
- Phase 1 will include an examination to establish my mastery of the foundational skills and content this course/subject requires.
  - I must earn a Level V “superior” scale score on the appropriate state assessment, EOC or a 90% correct on the appropriate local exam.
  - I have only one attempt to pass the exam.
  - I have one attempt at the exam.
  - Prior to the exam, I may review the content standards for the course or subject area that I seeking to demonstrate mastery at [www.ncdpi.edu](http://www.ncdpi.edu)
  - If I earn the appropriate score, I will move onto Phase 2. If I do not earn a Level V, 90% correct for non-EOC courses, or a 90% for post-CTE assessments, I will not have the opportunity to earn CDM for this course
- In Phase 2, I will create an artifact that reflects deep understanding of the content standards, including the ability to apply the skills and knowledge expected at the end of the course.
  - As part of this artifact, I may be required to give a presentation, create a project, or take part in an interview as evidence of my abilities.
- The CDM Review Panel will make a recommendation if I can earn CDM. If I am successful, I will earn a “CDM” on my transcript toward graduation credits. A grade or quality points will not be included in my GPA.
- I understand that I will meet with a CDM Panel member (s) to discuss the process and long-term implications.
- My parents and I will be allowed to file for grievance if we do not agree with the decision of the team.

**I understand all of the above and agree to abide by the process defined above.**
