WHAT IS TITLE I????

- **The purpose of Title I under the Elementary and Secondary Education Act of 1965 (ESEA) is to ensure that all children have a fair, equal, and significant opportunity to obtain a high-quality education and reach, at a minimum, proficiency on challenging state academic achievement standards and state academic assessments.**
- **Title I is the largest federal assistance program for our nation's schools.**
- **Title I provides federal funds to public schools with high numbers or percentages of economically disadvantaged children to help ensure that all children meet the state's challenging academic content and student achievement standards.**
- **Perquimans County Central School, Hertford Grammar School and Perquimans County Middle School operate under the Title I program.**
- **The primary goal of a school wide Title I program is a high quality education for every child.**

HOW DOES TITLE I WORK????

- **The federal government provides funding to states each year for Title I.**
- **To receive the funds, each state must submit a plan describing what all children are expected to know and be able to do; the high quality standards of performance that all children are expected to meet and ways to measure progress.**
- **State Educational Agencies (SEAS) send the money to school districts based on low income percentages.**
- **The local school district (LEA) identifies eligible schools and provide Title I resources.**
- **The Title I school (parents, teachers, school staff and administrators) set goals for improvement; measure student progress using standards set forth in the state Title I plan, develop programs that add to regular classroom instruction and involve parents in all aspects of the program.**

HOW ARE TITLE I FUNDS ALLOCATED TO SCHOOLS????

- **The funding for this program is based upon the percentage of students who apply for and receive free or reduced school meals. It is therefore important to our system to give every family an opportunity to apply for free or reduced school meals through each school's nutrition program. Every family is given the opportunity to complete a free or reduced meals application at the beginning of the school year or upon enrollment.**
